Los Angeles

The data provided represents the sales of bikes in six different cities for Jay's Bike Industries. The total sum of purchases across all cities amounts to \$26.53 million. Among the cities, Chicago had the highest sales with a sum of \$4,807,762 million and 260 motorbikes sold. Los Angeles followed closely with sales amounting to \$4,617,689 million and 264 bikes sold. Portland had sales worth \$4,371,022 million with 246 bikes sold. New York recorded sales of \$4,311,968 million and 250 bikes sold. San Francisco and San Diego had sales of \$4,259,432 million (253 bikes sold) and \$4,162,493 million (240 bikes sold), respectively.

There were a total of seven bike brands purchased by Jay's company: Ducati, Honda, Kawasaki, KTM, Suzuki, Triumph, and Yamaha.

The distribution of purchases by brand is as follows:

- Ducati: 14.01%
- Honda: 13.81%
- Kawasaki: 13.51%
- KTM: 15.66%
- Suzuki: 16.79%
- Triumph: 12.97%
- Yamaha: 13.26%

These percentages represent the proportion of bikes purchased for each brand out of the total number of bikes sold.

Overall, the data provides insights into the sales performance of Jay's Bike Industries across different cities and the popularity of various bike brands within their product portfolio.
